Dear Mr. Fedio:

LICENSES 5118 AND 5763 (APPLICATIONS 15168 AND 15679) RUSSIAN RIVER UNDERFLOW IN MENDOCINO COUNTY

This is to acknowledge receipt of your letter dated March 6, 2001 informing our office that your Ukiah mill will be closing in the near future.

Masonite has the above two water rights that authorize the diversion of water from the Russian River to serve the mill (License 5763) and to irrigate up to 62 acres of land (License 5118) on adjacent property.

It is unclear at this time whether your notice is to inform our office that use of water will cease under one or both of the rights or that the properties will be sold with the water rights being held intact. If the water right(s) are to be abandoned, please notify our office when water will no longer be used under one or both rights and we will proceed with the revocation. No action will be taken on either of the rights at this time until notified otherwise.

If I can be of further assistance, please write or call me at (916) 341-5369.

Sincerely,
