RE: Petition Of California Sportfishing Protection Alliance (Waste Discharge Requirements Order No. R5-2007-0113 [NPDES NO. CA0079243] for City of Lodi, Central Valley Water Board: SWRCB/OCC FILE-1886

Dear Ms. Townsend

The California Sportfishing Protection Alliance (CSPA) has reviewed the proposed order to initiate own motion for review of CSPA's appeal of the City of Lodi NPDES permit and has no objections to the State Water Resources Control Board (State Board) reviewing the petition on its own motion. Given the substantive issues raised in our appeal and the proximity of the discharge to the seriously impaired Sacramento-San Joaquin Delta, CSPA urges the State Board to address the issues in an expeditious manner.

Thank you for considering these comments. If you have questions or require clarification, please don't hesitate to contact us.

Sincerely,

Bill Jennings, Executive Director  
California Sportfishing Protection Alliance
