

Carpinteria Sanitary District
ACLCL No. R3-2015-0011
Prosecution Team Witness List for May 29, 2015 Hearing

Pursuant to the Final Hearing Procedure, each party has been granted 45 minutes of time for use at hearing.

a. Matthew Buffleben, Ph.D (10 minutes)

Senior Water Resource Control Engineer, Supervisor of the Special Investigation Unit, Office of Enforcement, State Water Resources Control Board

Dr. Buffleben's testimony will cover previous regulatory actions against other dischargers and the Prosecution Team's selection of factors under the Enforcement Policy.

b. Leo Sarmiento (10 minutes)

Water Resource Control Engineer, Special Investigation Unit, Office of Enforcement, State Water Resources Control Board

Mr. Sarmiento will testify regarding the Prosecution Team's enforcement efforts against Carpinteria, including inspecting the facility, issuing a Water Code section 13267 order and seeking a complete response and determining the cause of the discharge. He will also be prepared to testify regarding permit requirements, including alarm notifications.

c. Harvey Packard (10 minutes)

Supervising Engineer, Former Enforcement Coordinator for Central Coast Regional Water Quality Control Board

Mr. Packard will testify regarding the Central Coast's enforcement efforts for discharges from similar facilities to the extent it is raised by the Discharger. The Prosecution Team believes that the adjustment factors selected in this matter are appropriate for the region's enforcement goals and consistent with other actions taken in the region, and his testimony will reflect that.

d. Bryan Elder (5 minutes)

Water Resource Control Engineer, Special Investigation Unit, Office of Enforcement, State Water Resources Control Board

Mr. Elder will testify as to the economic benefit of the October 2012 discharge.

The Prosecution Team reserves the right to call Rebuttal Witnesses to address legal argument or testimony by the Discharger. Testimony descriptions reflect the evidentiary stipulations reached in this matter.
