

ITEM: 22

SUBJECT: Status Report on the Dairy Program with emphasis on Representative Monitoring Program Activities *Informational Item Only*

BOARD ACTION: None. Informational item only.

BACKGROUND: This item is to update the Board about Dairy Program activities, including the formation of a statewide Dairy Program Roundtable. Particular attention will be given to the Central Valley Dairy Representative Monitoring Program and the results of the second year of groundwater monitoring at representative dairies. Staff will discuss proposed future activities, including WDRs for Confined Animal Feeding Operations (CAFOs) not covered by existing General Orders and implementation of management practice improvements in response to representative monitoring results.

RECOMMENDATION: This is an informational item only; no recommendations are provided.
