

ITEM: 8

SUBJECT: Assigning Priorities in the Dairy Program – *Information Item*

BOARD ACTION: None. Informational item only.

BACKGROUND: This item is an update to the status report given at the 5 December 2014 Central Valley Water Board meeting about Dairy Program activities. Staff will report on prioritization of Dairy Program work, including compliance and enforcement activities. In particular, Staff will discuss how proximity to Disadvantaged Communities is a factor in determining Dairy Program priorities.

RECOMMENDATION: This is an informational item only; no recommendations are provided.
