Meeting Notice

Sacramento and Feather Rivers Diazinon and Chlorpyrifos TMDL and Basin Plan Amendment

Meeting to Discuss Comments - 27 April 2007, Central Valley Water Board – Sacramento Office

Staff of the California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) will hold a meeting to discuss comments received on the proposed Basin Plan Amendment for the Control Of Diazinon and Chlorpyrifos Discharges into the Sacramento and Feather Rivers. This meeting will provide interested stakeholders an opportunity to discuss written comments submitted and staff's preliminary response to those comments. All written comments received before 18 April 2007 will be responded to in writing. Comments received after 18 April 2007 will be responded to at the Central Valley Water Board Meeting, scheduled for 3 or 4 May 2007 in Sacramento.

The Staff Report and additional project information is available on the Central Valley Water Board Website at:

http://www.waterboards.ca.gov/centralvalley/programs/tmdl/sac_feather_diaz/index.html

Time and Location of the Meeting:

Date: 27 April 2007

Time: 1:30 PM to 3:30 PM

Place: Central Valley Regional Water Quality Control Board
11020 Sun Center Drive
Rancho Cordova, CA 95670

The meeting facilities will be accessible to persons with disabilities. Individuals requiring special accommodation are requested to contact Paul Hann at (916) 464-4628 at least 5 working days prior to the meeting. TTY users may contact the California Relay Service at (800) 735-2929 or voice line at (800) 735-2922.

Who Should Attend

This meeting is primarily directed at stakeholders who have submitted written comments on the Staff Report and proposed Basin Plan Amendment. However, all groups or individuals interested in the diazinon and chlorpyrifos impairment in the Sacramento and Feather Rivers are encouraged to attend. This includes, but is not limited to, licensed pesticide applicators, growers or their representatives, water district managers, environmental groups, government officials or others with interest in or

California Environmental Protection Agency

responsibility for pesticide regulation, agricultural drainage, storm water management, and wastewater treatment and disposal.

Contact Information:

Questions regarding this issue should be directed to Paul Hann at (916) 464-4628 or phann@waterboards.ca.gov or to Joe Karkoski at (916) 464-4668 or jkarkoski@waterboards.ca.gov.

Please bring the above information to the attention of anyone you know who would be interested in this matter.
