Subject: Anaconda Files

Hello Jeff,

We've finished scanning all of the documents you requested; however, because of a jumble in the files, with your request for 16304.03 16304.04, 16304.09, 16304.11, 16304.14, 16304.18, 16304.20, 16304.22 ,16304.24, 16304.25, and 16304.29 through 16304.32, the documents are jumbled into one file and aren't labeled, so we may have incidentally scanned more than you asked for. We'll send these scans along but won't charge you for them. I do heartily apologize for the inconvenience. I'll be sending these to you through YouSendIt, so you'll see a message coming your way shortly. The files will be available in an online folder for you to download.

We've scanned 254 pages; but I'll invoice you later, once you've decided whether you need more scans. Do let me know if you have any trouble with the images and I'll be happy help resolve any issues.

Thanks very much for your duplication order!

Rachael
