PROSECUTION TEAM'S PROPOSED HEARING PROCEDURE  
FOR TENTATIVE CEASE AND DESIST ORDER

PROPOSED TO BE ISSUED TO  
RECOLOGY HAY ROAD  
HAY ROAD LANDFILL  
SOLANO COUNTY

SCHEDULED FOR 9/10 OCTOBER 2014

PLEASE READ THIS HEARING PROCEDURE CAREFULLY. FAILURE TO COMPLY WITH THE DEADLINES AND OTHER REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF YOUR DOCUMENTS AND/OR TESTIMONY.

**Overview**

Pursuant to Water Code section 13301, the Assistant Executive Officer has issued a Tentative Cease and Desist Order (CDO) to Recology Hay Road (Discharger) to address discharges of waste or threatened discharges of waste in violation of Waste Discharge Requirements (WDRs) Order R5-2008-0188 by requiring the Discharger to implement necessary measures in accordance with a time schedule to bring the Discharger back into compliance with its WDRs. A hearing is currently scheduled to be conducted before the Board during its 9/10 October 2014 meeting.

The purpose of the hearing is to consider relevant evidence and testimony regarding the Tentative CDO. At the hearing, the Central Valley Water Board will consider whether to issue the CDO as proposed, issue the CDO with modifications, postpone the matter to a future Board meeting, or refrain from issuing the CDO. If less than a quorum of the Board is available, this matter may be conducted before a hearing panel. The public hearing will commence at 8:30 a.m. or as soon thereafter as practical, or as announced in the Board's meeting agenda. The meeting will be held at:

11020 Sun Center Drive, Suite 200, Rancho Cordova, California.

An agenda for the meeting will be issued at least ten days before the meeting and posted on the Board's web page at:

[http://www.waterboards.ca.gov/centralvalley/board\\_info/meetings](http://www.waterboards.ca.gov/centralvalley/board_info/meetings)

**Hearing Procedure**

The hearing will be conducted in accordance with this Hearing Procedure. This Hearing Procedure was issued in draft form by the Prosecution Team subject to objections by Designated Party(ies), Board Chair rulings on the objections, and Advisory Team issuance of Final Hearing Procedures. The procedures governing adjudicatory hearings before the Central Valley Water Board may be found at California Code of Regulations, title 23, section 648 et seq., and are available at

<http://www.waterboards.ca.gov>

Copies will be provided upon request. In accordance with section 648(d), any procedure not provided by this Hearing Procedure is deemed waived. Except as provided in section 648(b) and herein, Chapter 5 of the Administrative Procedures Act (Gov. Code, § 11500 et seq.) does not apply to this hearing.

The Discharger shall attempt to resolve objections to this Hearing Procedure with the Prosecution Team BEFORE submitting objections to the Advisory Team.

### **Separation of Prosecutorial and Advisory Functions**

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the Board (the "Prosecution Team") have been separated from those who will provide legal and technical advice to the Board (the "Advisory Team"). Members of the Advisory Team are: Pamela Creedon, Executive Officer and Patrick Pulupa, Senior Staff Counsel. Members of the Prosecution Team are: Andrew Altevogt, Assistant Executive Officer; Wendy Wyels, Environmental Program Manager; Howard Hold, Senior Engineering Geologist; Mary Boyd, Water Resource Control Engineer; and Mayumi Okamoto, Senior Staff Counsel.

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Members of the Prosecution Team act or have acted as advisors to the Central Valley Water Board in other, unrelated matters, but they are not advising the Central Valley Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Central Valley Water Board or the Advisory Team regarding this proceeding.

### **Hearing Participants**

Participants in this proceeding are designated as either "Designated Parties" or "Interested Persons." Designated Parties may present evidence and cross-examine witnesses and are subject to cross-examination. Interested Persons may present non-evidentiary policy statements, but may not cross-examine witnesses and are not subject to cross-examination. Interested Persons generally may not present evidence (e.g., photographs, eye-witness testimony, monitoring data). At the hearing, both Designated Parties and Interested Persons may be asked to respond to clarifying questions from the Central Valley Water Board, staff, or others, at the discretion of the Board Chair.

The following participants are hereby designated as Designated Parties in this proceeding:

1. Central Valley Water Board Prosecution Team
2. Recology Hay Road

### **Requesting Designated Party Status**

Persons who wish to participate in the hearing as a Designated Party must request designated party status by submitting a request in writing so that it is received no later than the deadline listed under "Important Deadlines" below. The request shall include an explanation of the basis for status as a Designated Party (i.e., how the issues to be addressed at the hearing affect the person, the need to present evidence or cross-examine witnesses), along with a statement explaining why the parties listed above do not adequately represent the person's interest. Any objections to these requests for designated party status must be submitted so that they are received no later than the deadline listed under "Important Deadlines" below.

**Ex Parte Communications**

Designated Parties and Interested Persons are forbidden from engaging in ex parte communications regarding this matter. An ex parte communication is a written or verbal communication related to the investigation, preparation, or issuance of a CDO between a Designated Party or an Interested Person and a Board Member or a member of the Board's Advisory Team (see Gov. Code, § 11430.10 et seq.). However, if the communication is copied to all other persons (if written) or is made in a manner open to all other persons (if verbal), then the communication is not considered an ex parte communication. Communications regarding non-controversial procedural matters are also not considered ex parte communications and are not restricted.

**Hearing Time Limits**

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each Designated Party shall have a combined total of **60 minutes** to present evidence (including evidence presented by witnesses called by the Prosecution Team), to cross-examine witnesses (if warranted), and to provide a closing statement. Each Interested Person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received no later than the deadline listed under "Important Deadlines" below. Additional

time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Board Chair (at the hearing) upon a showing that additional time is necessary. Such showing shall explain what testimony, comments, or legal argument requires extra time, and why it could not have been provided in writing by the applicable deadline.

A timer will be used, but will not run during Board questions or the responses to such questions, or during discussions of procedural issues.

### **Submission of Evidence and Policy Statements**

The Prosecution Team and all other Designated Parties (including the Discharger) must submit the following information in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the Central Valley Water Board to consider. Evidence and exhibits already in the public files of the Central Valley Board may be submitted by reference, as long as the exhibits and their location are clearly identified in accordance with California Code of Regulations, title 23, section 648.3. Board members will not generally receive copies of materials incorporated by reference unless copies are provided, and the referenced materials are generally not posted on the Board's website.
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the Designated Party intends to call at the hearing as part of the Designated Party's case-in-chief, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony.
4. The qualifications of each expert witness, if any.

**Prosecution Team:** The Prosecution Team's information must include the legal and factual basis for its claims against the Discharger; a list of all evidence on which the Prosecution Team relies, which must include, at a minimum, all documents cited in the Tentative CDO, Staff Report, or other material submitted by the Prosecution Team; and the witness information required under items 3-4 for all witnesses, including Board staff.

**Designated Parties (including the Discharger):** All Designated Parties shall submit comments regarding the Tentative CDO along with any additional supporting evidence not cited by the Central Valley Water Board's Prosecution Team no later than the deadline listed under "Important Deadlines" below.

**Rebuttal:** Any Designated Party that would like to submit evidence, legal analysis, or policy statements to rebut information previously submitted by other Designated Parties shall submit this rebuttal information so that it is received no later than the deadline listed under "Important Deadlines" below. "Rebuttal" means evidence, analysis or comments offered to disprove or contradict other submissions. Rebuttal shall be limited to the scope of the materials previously submitted. The name of each rebuttal witness, if any, whom the Designated Party intends to call at the hearing as a rebuttal witness should be included in the Rebuttal submission. Rebuttal information that is not responsive to information previously submitted may be excluded.

**Copies:** Board members will receive hard copies of a portion of the submitted materials, as specified below in "Other Matters." The Board Members' hard copies will be printed in black and white on 8.5"x11" paper from the Designated Parties' electronic copies. Designated Parties who are concerned about print quality or the size of all or part of their written materials should provide an extra nine paper copies for the Board Members. For voluminous submissions, Board Members may receive copies in electronic format only. Electronic copies will also be posted on the Board's website. Parties without access to computer equipment are strongly encouraged to have their materials scanned at a copy or mailing center. The Board will not reject materials solely for failure to provide electronic copies.

**Other Matters:** The Prosecution Team will prepare a summary agenda sheet (Summary Sheet) and will respond to all significant comments. The Summary Sheet and the responses shall clearly state that they were prepared by the Prosecution Team. The Summary Sheet and the responses will be posted online, as will revisions to the Tentative CDO. As stated below, the Tentative CDO and evidentiary documents submitted in accordance with this Hearing Procedure shall be considered part of the official administrative record. Given the voluminous amount of evidence, each Designated Party shall be responsible for identifying and selecting the most pertinent evidence in the record to be included in the Board Members' agenda binders for this matter and shall be responsible for submitting its selected documents to the Advisory Team Contact no later than the deadline listed under "Important Deadlines" below. Documents included in the agenda binders shall not exceed a combined total of 250 pages. Additional documents that exceed this page limit shall be submitted on CD-ROM.

**Interested Persons:** Interested Persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team as early as possible, but they must be received by the deadline listed under "Important Deadlines" to be included in the Board's agenda package. Interested Persons do not need to submit written comments in order to speak at the hearing.

**Prohibition on Surprise Evidence:** In accordance with California Code of Regulations, title 23, section 648.4, the Central Valley Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the Board Chair may exclude evidence and testimony that is not submitted in accordance with this Hearing Procedure. Excluded evidence and testimony will *not* be considered by the Central Valley Water Board and will not be included in the administrative record for this proceeding.

**Presentations:** Power Point and other visual presentations may be used at the hearing, but their content shall not exceed the scope of other submitted written material. These presentations must be provided to the Advisory Team at or before the hearing both in hard copy and in electronic format so that they may be included in the administrative record.

**Witnesses:** All witnesses who have submitted written testimony shall appear at the hearing to affirm that the testimony is true and correct, and shall be available for cross-examination.

### **Evidentiary Documents and File**

The Tentative CDO and evidentiary documents submitted in accordance with this Hearing Procedure shall be considered part of the official administrative record for this matter may be inspected or copied at the Central Valley Water Board office at 11020 Sun Center Drive, Rancho Cordova, CA 95670.
