The purpose of this meeting is for the Board to obtain testimony and information from concerned and affected parties and to make decisions based on the information received.

Persons who want to submit written comments or evidence on any agenda item must comply with the **Meeting Procedures** described at the end of the listing of **Agenda** items. Persons wishing to speak at the meeting should complete an attendance card and provide it to staff. Although otherwise filling out the attendance card is voluntary, we do appreciate receiving a card from all persons in attendance.

Persons applying for, or actively supporting or opposing, waste discharge requirements before the Board must comply with legal requirements if they or their agents have or propose contributing more than \$250 to a Board member for an election campaign. Contact the Board office for details if you fall into this category.

Items showing times will begin no sooner than indicated. Items are numbered for identification purposes only and may not be considered in order. They may, however, be delayed by previous items. Items scheduled for the first day of a multi-day meeting may be delayed or continued to the next day of the meeting. The Board may conduct any scheduled hearing as a Panel Hearing as allowed by law in the event of a lack of a Board member quorum. In the event that a Panel Hearing is held, final action on that item will not be taken until a Board member quorum is present. Closed Session business is normally conducted during the lunch break, although the Board may adjourn to Closed Session at any time. Depending on the extent of Closed Session items, the lunch break may be lengthy. The Board Chair will announce prior to any Closed Session the anticipated time that the public session will resume.

Technical questions regarding agenda items should be directed to the responsible staff person whose name and direct phone number are indicated by the agenda item. If no staff person is listed, or for general questions and requests for agenda material, please contact Kiran Lanfranchi-Rizzardi at: (916) 464-4839.
