(About 3 miles after crossing State Highway 43, the name of the road changes to Avenue 54).
3. Turn left (south) on Road 38 in the center of Alpaugh
(This is the only four-way stop in town, but the intersection is not well-marked).
4. Drive a little over a mile to the last house on the right-hand side of the road and park in the front along the side of the fence being careful not to get too close to the road traffic.
