

The Santa Ana Regional Water Quality Control Board Stormwater Section is conducting a **Certified Persons Training** for the Region 8 Sector Specific Scrap Metal Permit.

This training is for personnel who shall perform sample collection, preservation, and handling duties related to the Scrap Metal Permit. This training will provide "...appropriate training, as specified in the Monitoring and Reporting Program..." Order No. R8-2012-0012 Provision VI.B.2 (Page 57 of 65).

In addition, this training is a pre-requisite for the next training - QSD/QSP training for the Scrap Metal Permit.

Priority seating will be given to Scrap Metal Facilities Personnel and the remaining seats open on a first come, first serve basis. **Please RSVP with the number of people attending to Mary Bartholomew at [mbartholomew@waterboards.ca.gov](mailto:mbartholomew@waterboards.ca.gov).**
