# Safe Drinking Water Stories & Lessons Learned

CALIFORNIA WATER BOARDS

SAFER PROGRAM

# Breakout Room Instructions

## Goal:

- Engage with Advisory Group member stories to gather lessons learned and best practices that can be applied to improve SAFER-funded drinking water projects.

## Instructions:

- Individuals will be placed in breakout rooms with an Advisory Group Member that has agreed to share their safe drinking water story
- Advisory Group member will present their story in 15minutes
- Other Advisory Group members in the breakout room will engage in discussion and ask questions

## Ask questions!

- What went well?
- What barriers did they face?
- Are there any tips/pointers they would give based on their experiences?

## Breakout Room Instructions (50mins)

- 1. Advisory Group member presents their story as a story-teller (15mins)**
- 2. Story-teller will share their screen and share their presentation (if applicable)**
- 3. Small group discussion examples:**
  - What went well?*
  - What barriers did they face?*
  - Are there any tips/pointers they would give based on their experiences?*

# LARGE GROUP DISCUSSION

- What did you learn?
- What were some of the successes and milestones in the projects?
- What are some things that can be done to improve projects?

# Streamlining Project Funding Process

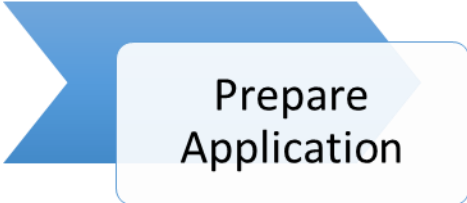

# Prepare Application

## Improvements Implemented

- Pre-application
- Environmental California Environmental Quality Act (CEQA)-Only Review
- Project specific credit review waivers
- Use of Technical Assistance (TA) for planning projects

# Prepare Application

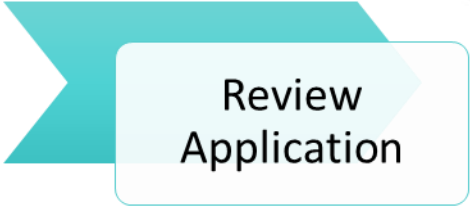

Prepare  
Application

## Ideas

- Evaluate pre-application effectiveness
- Increased coordination amongst DFA staff on long-term solutions, TA, and interim solutions
- General waiver of credit review for 100% planning grants
- Identify regular issues with applications and review/update application and instructions

# Review Application

A graphic consisting of a teal arrow pointing right, with a white rounded rectangle inside it containing the text "Review Application".

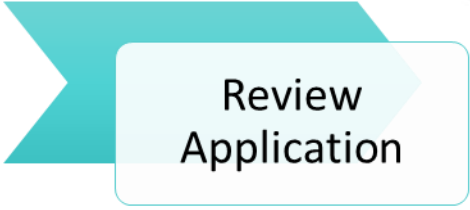

Review  
Application

## Improvements Implemented

- Updated package checklists
- Use of digital master file for routing and review
- Modified median household income (MHI) determination methodology
- Modified Drinking Water State Revolving Fund (DWSRF) Intended Use Plan (IUP) to ease funding restrictions on planning projects and larger projects
- More regular check-in meetings to keep projects moving and work through hurdles

# Review Application

A graphic consisting of a teal arrow pointing right, with a white rounded rectangle containing the text "Review Application" inside it.

Review  
Application

## Ideas

- Develop standardized scope language and budget categories
- Engage with TA providers to identify ways to improve the application process
- Update internal review documents and checklists

# Prepare Financing Agreement

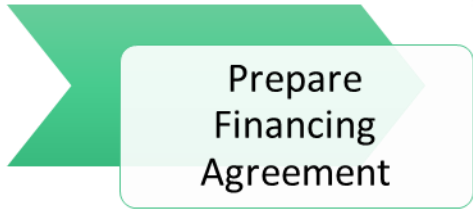

Prepare  
Financing  
Agreement

## Improvements Implemented

- Evaluate projects in queue and determine appropriate funding sources ahead of estimated execution dates
- Use of electronic routing process
- Earlier management review of project scope and budget
- Using “phased” approaches for complex projects
- Combine multiple projects for same entity into a single agreement

# Prepare Financing Agreement

Prepare  
Financing  
Agreement

## Ideas

- Train new staff on scope writing
- Develop standardized scope language and budget categories

# Post-Execution Project Management

## Improvements Implemented

- Use of letter amendments when appropriate
- Electronic invoice submittal for recipients into FFAST along with hard copy mailed
- Uniform cover page which organizes invoices and supporting documentation

# Post-Execution Project Management

## Ideas

- Increased check-ins with TA and interim solution providers
- Waive requirement to update credit review for 100% grant funded projects that have a cost increase but no change in scope
- Evaluate FBA Process and procedures to expedite DFA approval
- Evaluate different methods for reimbursement of allowances for construction projects

# Project Closeout

## Improvements Implemented

- Use of a final inspection checklist
- Procedures to conduct virtual inspections

# SAFER Overview

CALIFORNIA WATER BOARDS

SAFER PROGRAM

## SAFER Overview

**SB 200 (Monning, 2019)** -- Establishes the Safe and Affordable Drinking Water Fund to address funding gaps and provide short- and long-term solutions to water systems.

**Fund Expenditure Policy** -- Guides how the Fund Expenditure Plan will be developed and implemented. The Policy defines key terms, discusses who is eligible for funding, and what types of projects are eligible.

**Fund Expenditure Plan** -- Adopted annually by the State Water Board, directs how money from the Fund can be spent. The Fund Expenditure Plan is based on a drinking water needs assessment that prioritizes projects for funding.
