SUBJECT: Total Fees for Order No. R9-2002-0020, NPDES Permit No. CAG679001

The State Water Resources Control Board adopted revisions to the California Code of Regulations, Title 23, Section 2200, Annual Fee Schedules. The Revisions increased the fees for Waste Discharge Requirements for Order No. 2002-0020. **The current total fee is \$1,185.00.** This fee includes a \$1,000.00 application fee (same as the annual fee) and \$185.00 water quality monitoring surcharge fee.

The entire fee must be submitted to the San Diego Regional Water Quality Control Board with your application in order to consider the application complete. Failure to submit a complete application may delay the processing of your application and may delay your project. More information regarding fees may be found at the State Water Resources Control Board website: www.swrcb.ca.gov
