File Number	Federal/non-federal discharge	Project Name	Brief Description	Agent's Organization	Applicant's Organization	Staff Name	Phone Number
302009-17	Federal	Modjeska Canyon Road Storm Drain Repair-Site 6 (ER20202)	Removal of an existing 50-foot-long, 24-inch corrugated metal pipe that failed(CMP) in the street right of way. It will be replaced with a 48-foot-long, 6-foot-wide, 3.5-foot-tall reinforced concrete box (RCB). To protect the RCB, approximately 20 tons of 24-inch riprap will be placed at both the inlet and outlet of the RCB.		County of Orange, Public Works	Adam Fischer	(951) 320-6363

City/Community

File Number	Federal/non-federal discharge	Project Name	Brief Description	Agent's Organization	Applicant's Organization	Staff Name	Phone Number
302009-18	Federal	State Route 57 Northbound Widening Project	Widening consists of adding one through lane for a length of 4.9 miles just south of Orangethorpe Avenue to just north of Lambert Road with auxiliary lanes between interchanges. Improvements for northbound SR-57 at the Loftus Channel Crossing include constructing a retaining wall, adding a northbound off-ramp lane, and realigning the Department's R/W to accommodate the new lane. Installation of new 24-inch pipes to Placentia storm channel will also take place.	RBF Consulting	California Department of Transportation, District 12	Adam Fischer	(951) 320-6363
