Hope,

Western Municipal Water District, on behalf of WRCRWA, appreciates the opportunity to comment on the subject documents. We respectfully submit the following comments:

In the file named "Item XX - Salt Management Plan BPA and Resolution R8-2012-0002.pdf", page 5 of 17, Section 2.2, approximately half way down the paragraph, the surface water annual report submittal date is revised from April 15 to August 15 of each year. No provision is made to revise the ground water annual report submittal date to be consistent with the surface water report submittal date. The correct agency name for WRCRWA is "Western Riverside County Regional Wastewater Authority"

In the file named "Clean copy - Resolution R8-2012-0002.pdf ", page 2 of 6, item V.A.2, the beginning of the first paragraph notes an August 1 due date. On page 3 of 6, Table 5-8a, Item 1.g. (surface water annual report) the compliance date is still indicated as April 15.

Please contact me if you have any questions.

Kind regards,

Linda
