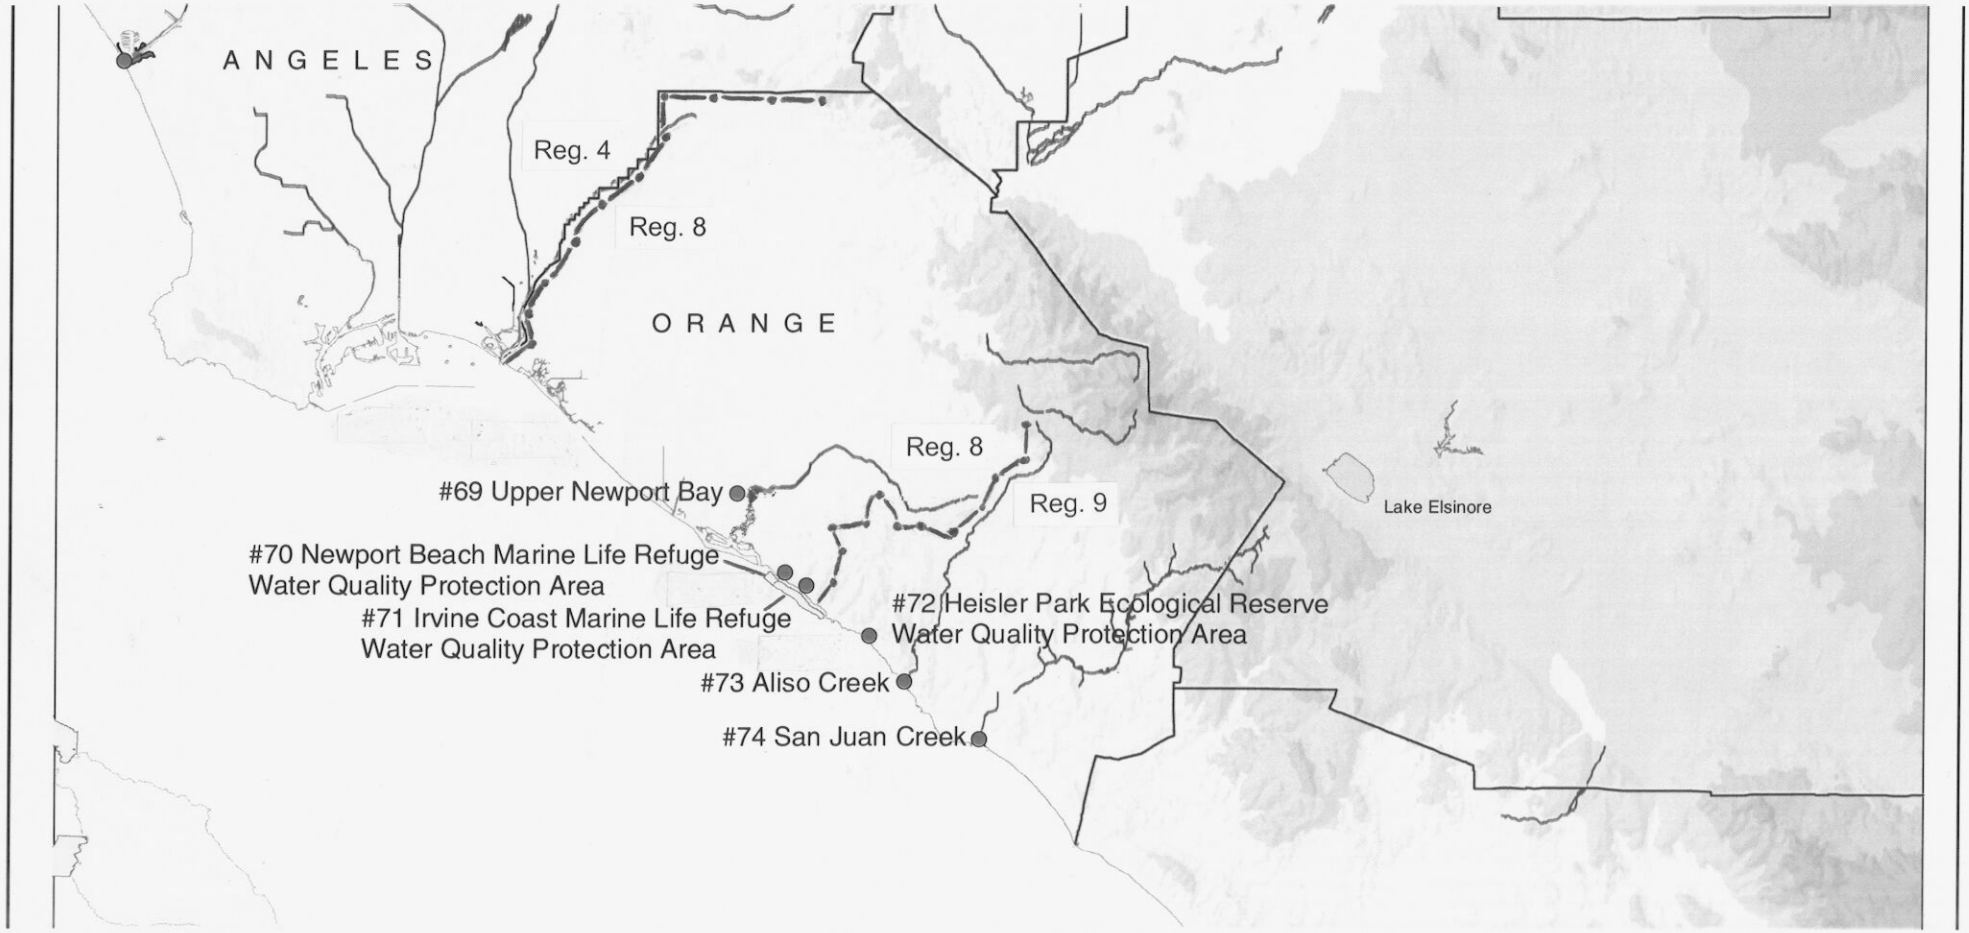
Figure 4-1. Critical Coastal Areas (CCA), Orange County (courtesy of Coastal Commission)



Critical Coastal Area #69, Upper Newport Bay, a Marine Managed Area, receives Clean Water Act Section 303(d) impaired flow from the San Diego Creek Watershed. CCA #70, Newport Beach Marine Life Refuge State Water Quality Protection Area, extends from Poppy Street in Corona del Mar southeast along the Irvine Coast to Pelican Point. CCA #71, the Irvine Coast Marine Life Refuge State Water Quality Protection Area, extends along the coast from Pelican Point into Region 9, which shares this CCA.
