Subject: Comment Letter: NOP - Proposed Wetland & Riparian Area Protection Policy

To: Song Her, Clerk to the Board
Executive Office, State Water Resources Control
Board

I have reviewed the NOP and Informational Document for the Proposed Wetland & Riparian Area Protection Policy. The State Water Resources Control Board is considering a wide variety of alternatives. Is the CEQA-equivalent document going to analyze all alternatives on an equal basis and if so, will it identify a preferred alternative? Please let me know when the CEQA-equivalent document is ready for review.

Thank you for the opportunity to submit comments on the NOP and Informational Document.
