<b>Regional Water Board Total:</b>	<b>25,772</b>	<b>41,019</b>	<b>23,275</b>	<b>169,641</b>	<b>177,855</b>	<b>9,810</b>	<b>14,090</b>	<b>155,743</b>	<b>51,952</b>	<b>669,157</b>

## NOTES:

1. The total number of systems is greater than 210, because the California State Prisons were split to include the total of each facility within the appropriate county and Regional Water Board.

2. This number considers the City of Los Angeles and the County Sanitation Districts of Los Angeles County recycled water systems each as one system.

*Units are in acre-feet*
