Subject: Co-Hearing Officer's Ruling on DWR's Request for Time Extension

Service List,

The State Water Board's Second Revised Notice, dated May 11, 2016, established September 1, 2016 (later revised to September 2, 2016 via email) as the due date for parties to submit their Part 1B cases in chief, and September 15, 2016 as the deadline to submit objections to Part 1B cases in chief. To date, parties have submitted more than 1,700 files to the State Water Resources Control Board WaterFix File Transfer Protocol Website as part of parties' Part 1B cases in chief.

On September 7, 2016, the Department of Water Resources (DWR) requested, via email copied to the Service List, a 6-day extension to the September 15, 2016 deadline to file objections for all parties. Deirdre Des Jardins submitted an opposition to DWR's request on September 8, 2016. In light of the high volume of submissions, Co-Hearing Officer Felicia Marcus has directed staff to inform the parties that DWR's request for a time extension is granted.

The new due date for receipt of any written procedural/evidentiary objections from parties to the hearing concerning Part 1B parties' cases in chief is now 12:00 noon, September 21, 2016.

The Co-Hearing Officer has also confirmed that the deadline applies only to any motions to disqualify witnesses or to exclude a witness's testimony, in whole or in part. The parties are not required to submit any other evidentiary objections by the 12:00 noon September 21, 2016 deadline. In addition, the parties are advised that the Hearing Officers may not issue written rulings before Part 1B of the hearing begins on any evidentiary objections that have been received. If after reviewing any objections the Hearing Officers determine that a ruling on an objection is warranted before Part 1B of the hearing begins and a reply to the objection would be informative, then the Hearing Officers will establish a deadline for the reply.

Sincerely,

California WaterFix Hearing Team
