Subject: cwf hearing Part 2 case in chief exhibits accepted into record

Dear Hearing Team,

By oral ruling from the bench on April 23, 2018, Hearing Officer Tam accepted into evidence without objection SCDA's Part 2 case-in-chief exhibits. Subsequently, staff approached Delta Alliance and requested a confirming list of SCDA's Part 2 case-in-chief exhibits.

That list is attached.

SCDA-200-224 were previously withdrawn and do not appear on the attached list.

In addition, by email on April 19, 2018, Delta Alliance transmitted to the Board an exhibit labeled scda-131 Errata. SCDA-131 Errata is the qualifications of witness Russel Ooms. As explained in our email of April 19, when Delta Alliance's Part 2 case-in-chief exhibits were assembled and uploaded to the FTP site in November 2017, Delta Alliance mistakenly submitted 2 copies of Mr. Ooms testimony instead of submitting one copy of his testimony and one copy of his qualifications. The website does not reflect receipt of the April 19 email or scda-131 errata. We did receive an email from the Board on April 19 confirming receipt of the submission. Another copy of scda-131 Errata is attached herewith. Delta Alliance again requests that scda-131 Errata be admitted as well.

This email is sent in 2 batches. This is batch 1.
