Re: Delta Flood Control Group's Withdrawal of Case-in-Chief Witnesses for Part 2

Dear Hearing Chair Doduc, Hearing Officer Marcus, and California WaterFix Hearing Staff:

The Delta Flood Control Group¹ ("DFCG") submitted a Supplemental Notice of Intent to Appear in advance of the October 13, 2017 deadline and identified several witnesses to testify in Part 2. Since the submittal of those notices, the Hearing Team has clarified the scope of Part 2 rebuttal and the way in which Part 1 issues are to be addressed during Part 2. Accordingly, DFCG hereby withdraws certain witnesses for case-in-chief testimony during Part 2.²

At the pre-hearing conference on October 19, 2017, the Hearing Officers explained that parties may present rebuttal evidence on Part 1 issues that directly responds to another party's Part 2 case-in-chief. In particular, at the conference, the Hearing Officer stated:

Parties may present rebuttal evidence that is in the scope – is within the scope of either Part 1 or Part 2 if it is in direct response to another party's Part 2 case in chief . . . So, again, during rebuttal, parties may present rebuttal evidence that is within the scope of either Part 1 or Part 2 if it is in direct response to another party's Part 2 case in chief.

(October 19, 2017 reporter's transcript (RT), p. 13:2-12.)

¹ DFCG is comprised of the protestants identified in Attachment 1.

² The witnesses being withdrawn by DFCG are identified in Attachment 2.

The Hearing Officers provided similar guidance in the November 8, 2017 Procedural Ruling. (November 8, 2017 Ruling, at 3.)

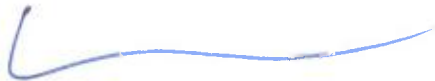

As noted by the Sacramento Valley Water Users' letter dated September 22, 2017 and in discussion at the pre-hearing conference (October 17 RT, pp. 17-20), it is unclear what modeling assumptions or operational criteria – if any – Petitioners will rely on in their Part 2 case-in-chief. In addition, the parties' understanding of the modeling assumptions relied on by Petitioners, and any operational criteria Petitioners may choose to present, may be clarified and refined during cross-examination of Petitioners' Part 2 case-in-chief witnesses.

For these reasons, and based on the Hearing Officers' guidance at the pre-hearing conference and in the November 8 Ruling, DFCG withdraws the witnesses listed on Attachment 2 from its case-in-chief and expects to submit rebuttal evidence, if necessary.

Thank you for consideration of this matter.

Very truly yours,

DOWNEY BRAND LLP
