Subject: CWF - Reminder Regarding Hearing Officers' March 27, 2018 Ruling

Service List,

The purpose of this email is to remind the Department of Water Resources (DWR) that in their [March 27, 2018 ruling](#), the Hearing Officers directed DWR to revise the table submitted as [DWR-1143](#) and resubmit it as a rebuttal exhibit identifying each proposed operating condition for the WaterFix Project and the regulatory requirement or other basis for each. The hearing officers have asked the hearing team to inform DWR that the table should specifically differentiate between regulatory requirements and operational or modeling

assumptions and identify how the regulatory requirements are reflected in the operational and modeling assumptions to the extent applicable. Per the March 27 ruling, the persons involved in preparing that exhibit should be made available for cross-examination during Part 2 rebuttal.

Respectfully,

CA WaterFix Hearing Team
