Re: Delta Flow Criteria Informational Proceeding: The Department of Water Resources' Summary, Exhibits and Witness List

Dear Mr. Crader,

Enclosed for the State Water Resources Control Board's (State Water Board) review, are the Department of Water Resources' (Department) Written Summary, Exhibit Index, exhibits and Witness List. As required by the Notice of Public Informational Proceeding and Pre-Proceeding Conference, dated December 16, 2009, the Department will be hand delivering six paper copies of the above documents.

Importantly, in reliance on your February 10, 2010, email to interested parties, the Department is only providing six paper copies of exhibits not included in the State Water Board's Preliminary List of Documents for Technical Introduction. The Department, however, will be providing electronic copies of all its exhibits.

The Department appreciates the opportunity to participate in the upcoming Delta Flow Criteria Informational Proceeding.

Please contact me at (916) 653-8826 if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Erick Soderlund".
