

RECORD OF TELEPHONE CONVERSATION

Between: Larry Dale, of Larry Dale Associates, and Adrian Griffin, of the SWRCB

Date: Numerous phone conversations during the months of November and December, 1994

Subject: Modeling the economic impacts of the SWRCB's Bay-Delta Plan

These calls all concerned refining and adjusting the modeling effort, and the interpretation of modeling results. Mr. Dale was under contract to both the U.S. EPA and the SWRCB to develop and model the economic impacts of the proposed federal and state Bay Delta Standards.
