## State Water Resources Control Board

**TO:** Deborah M. Cornez, Director  
Office of Administrative Law  
300 Capitol Mall, Suite 1250  
Sacramento, CA 95814

**FROM:** Les Grober   
Assistant Deputy Director  
**DIVISION OF WATER RIGHTS**

**DATE:** July 8, 2014

**SUBJECT:** Emergency Regulations for Curtailment of Diversions Due to Insufficient Flow for Senior Water Rights

Please find enclosed the submittals for new emergency regulations adopted by the State Water Resources Control Board on Wednesday, July 2, 2014. The State Water Board provided notice of the proposed regulation to our list of parties interested in regulations and to those interested in drought information on June 20, 2014 (reposted on June 23 to include previously omitted page numbers). At its meeting on July 2 (which was continued from July 1), the Board adopted some changes to the noticed regulatory language and digest in response to comments provided during the notice period. This submittal provides both the noticed and the adopted materials.

The following information is enclosed:

1. An original and six copies of Form 400, each with a copy of the adopted regulatory text with reference and authority attached.
2. A copy of State Water Board Resolution No. 2014-0031 adopting the proposed regulation.
3. A copy of the adopted regulation and informational materials, dated July 2, 2014.
4. A copy of the notice.
5. A copy of the original proposed regulation and informational materials sent with the notice dated June 20, 2014 (reposted on June 23 to include previously omitted page numbers).
6. A copy of the Form 399 and fiscal analysis.
