Re: License 7165

Dear Assistant Deputy Director Kassel:

We have received the Draft Cease and Desist Order for the License 7165.

We respectfully request a hearing to present the facts as we believe they may not have been correctly stated in letters and permit requests previously sent to your department. To fully explain where we have been since we first approached the issue of water expansion from early 2000 would not be justified in writing.

If you could provide me with the steps necessary to secure a hearing to resolve this issue, I would be most appreciative.

Respectfully,

Ernest H. Corda Testamentary Trust

Henry P. Corda, Trustee
