Re: AM:ENF00128

On March 26, 2012, I, Newton Dal Poggetto, successor Trust and Newton Dal Poggetto (Trustee and Individual) received by Certified U.S. Mail, a copy of an Administrative Civil Liability Complaint.

The letter incorrectly addressed someone else, but it was delivered to my residence by a certified mail notice, and my secretary signed for it on Monday, March 26, 2012. Then she delivered it to me at my law office.

First, there is no such legal entity as the Newton Dal Poggetto Trust, nor am I the Trustee of such a Trust. However, I am the successor Trustee of the Stornetta Family Trust, the owner of the property which is the subject of the Administrative Civil Liability Complaint before the Division of Water Rights of the State of California, California Environmental Protection Agency, State Water Resources Control Board.

This is the first notice I have received. Specifically, I did not receive the apparent State Water Resources Control Board Notice addressed to "Property owner within Napa River Watershed in Napa County." and allegedly signed by Aaron Miller, Chief Enforcement Unit, dated August 18, 2011.

Following the instructions contained in a letter dated March 16, 2012, from James W. Kassel, Assistant Deputy Director, Division of Water Rights, I am hereby requesting an ACL Hearing and a CDO hearing before the State Water Resources Control Board, or any other appropriate agency of the State of California to object to the allegations contained in the Administrative Civil Liability Complaint of the State Water Resources Control Board by James W. Kassel, Assistant Deputy Director, dated March 16, 2012.

Further, I will file an answer or other appropriate pleading in response to the Complaint.

Please set the complaint for hearing for a date which will allow sufficient time for adequate discovery and preparation for the hearings.

Very truly yours,

NEWTON DAL POGGETTO,
Successor Trustee of the STORNETTA FAMILY TRUST
