Conversation Summary	I told Ms. Gebing's the phone conversation was to determine information regarding APN 047-070-018. Ms. Gebing pulled up the parcel number in their database and informed me that Newton Dalpoggetto Trustee is listed as the owner. I then asked if he actually owned the property and I was told the property is owned by the Stornetta Family Trust and that Newton Dalpoggetto is the current active trustee of the property. I confirmed the address on file and thanked her for her time.		
Notes: Information obtained from Parcel Quest Online Services indicates "Owner Name: DALPOGGETTO NEWTON SUC " but does not define "SUC". The phone call to the Napa Assessor's Office is to verify the owner and any pertinent information.
