Gentlemen:

LICENSES 4151 AND 11609 AND PERMITS 19163, 19164 AND 19165
(APPLICATIONS 8809, 23767, 26305, 26306 AND 26307) SHASTA RIVER IN
SISKIYOU COUNTY

You recently informed us that you have acquired properties formerly owned by Don, Thelma Irene, Victor J. and Claudine Gragnani and Shasta Beef Inc. which are served under the above water rights. Unless we hear to the contrary within 30 days, we will change our records to show ownership of Licenses 4151 and 11609 and Permits 19163, 19164 and 19165 in the name of Resort Winds Inc.

Also, after inspecting your water rights under Permits 19163, 19164 and 19165, there was not enough information on your use of water to proceed to license. Enclosed are petitions for extensions of time. During the next several years, you should coordinate with the watermaster to keep monthly records of amounts diverted at each diversion. You will need to differentiate amounts taken under permits from your allotment of amount delivered from Lake Shastina (formerly Dwinell Reservoir). At the end of your extension period, we will see if your permits are ready for licenses.

Please complete the petitions for extension and return them with the \$150 fee (\$50 each).

If you have any questions, please write or call (916) 324-5694.

Sincerely,
