To Mara Irby & Hearing Team:

I'm writing to request a one week extension of deadline (from October 2nd to October 9th) to submit exhibits, statements, and name witnesses from October 2nd to October 9th. I am not requesting a change in hearing date.

Compiling evidence and coordinating with witnesses has been difficult given unusual commitments at work and in my personal life. A one-week extension would be very helpful to me and to witnesses who wish to testify.

Sincerely,
Konrad Fisher
