**Subject:** RE: Hindley Hearing Service List

Mr. Hindley,

On your Notice of Intent to Appear form (NOI) dated February 2, 2016, you have listed unknown Water Board personnel and defendant as your witness. The Prosecution Team listed Daniel Schultz as their exclusive witness. As described in the [January 25, 2016 Notice of Public Hearing](#) Attachment titled Information Concerning Appearance at Water Right Hearings on page 1, “[u]nless otherwise determined by the hearing officers, each party may ... cross-examine opposing witnesses on any matter relevant to the issues even if that matter was not covered in the direct examination, ...and subpoena, call and examine an adverse party or witness as if under cross-examination.”

To the extent you believe Mr. Schultz will be unable to provide the testimony you seek under cross-examination, you may issue subpoenas for other State Water Board personnel in this proceeding, using this [Subpoena Form](#), which is used in administrative proceedings before the State Water Board and can be downloaded here:

[http://www.waterboards.ca.gov/waterrights/water\\_issues/programs/hearings/svric/docs/subpoena\\_form.pdf](http://www.waterboards.ca.gov/waterrights/water_issues/programs/hearings/svric/docs/subpoena_form.pdf).

You must provide copies to the parties on the service list and file copies with the State Water Board together with the proof of service when using this form.

If you are uncertain which State Water Board personnel will be able to provide the testimony you seek, you may designate on the subpoena form, ‘person most knowledgeable’ and specify the particular area of expertise of you are seeking. For example, you might designate person most knowledgeable at the State Water Board regarding your Administrative Civil Liability complaint.

If you have any questions please contact me or David Rose at (916) 341-5196, or by email at [David.Rose@waterboards.ca.gov](mailto:David.Rose@waterboards.ca.gov).

Sincerely,

Michael Buckman  
Hearings Unit Chief, Division of Water Rights  
State Water Resources Control Board
