For Legislative History of Act, see p. 4728

PUBLIC LAW 85-862; 72 STAT. 1571

[S. 3741]

An Act to facilitate administration and management by the Secretary of Agriculture of certain lands of the United States within national forests.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That:

In order to facilitate the administration, management, and consolidation of the national forest, all lands of the United States within the exterior boundaries of national forests which were or hereafter are acquired for or in connection with the national forests or transferred to the Forest Service, Department of Agriculture, for administration and protection substantially in accordance with national forest regulations, policies, and procedures, excepting (a) lands reserved from the public domain or acquired pursuant to laws authorizing the exchange of land or timber reserved from or part of the public domain, and (b) lands within the official limits of towns or cities, notwithstanding the provisions of any other Act, are hereby made subject to the Weeks Act of March 1, 1911 (36 Stat. 961), as amended,⁸⁷ and to all laws, rules, and regulations applicable to national forest lands acquired thereunder: *Provided*, That nothing in this Act shall be construed as (1) affecting the status of lands administered by the Secretary of Agriculture under the Act of June 24, 1954 (68 Stat. 270),⁸⁸ and which are revested in the National Forest System, or (2) changing the disposition of revenues from or authorizing the exchange of the lands, or the timber thereon, described in the Act of February 11, 1920 (ch. 69, 41 Stat. 405), the Act of September 22, 1922 (ch. 407, 42 Stat. 1019), and the Act of June 4, 1936 (ch. 494, 49 Stat. 1460).

Approved September 2, 1958.

PUBLIC WORKS APPROPRIATION ACT, 1959

PUBLIC LAW 85-863; 72 STAT. 1572

[H. R. 12858]

An Act making appropriations for civil functions administered by the Department of the Army, certain agencies of the Department of the Interior, and the Tennessee Valley Authority, for the fiscal year ending June 30, 1959, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That:

The following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the fiscal year ending June 30, 1959, for civil functions administered by the Department of the Army, certain agencies of

the Department of the Interior, and the Tennessee Valley Authority, and for other purposes, namely:

TITLE I—CIVIL FUNCTIONS, DEPARTMENT OF THE ARMY

CEMETERIAL EXPENSES

SALARIES AND EXPENSES

For necessary cemeterial expenses as authorized by law, including maintenance, operation, and improvement of national cemeteries, and purchase of headstones and markers for unmarked graves; purchase of two passenger motor vehicles; maintenance of that portion of Congressional Cemetery to which the United States has title, Confederate burial places under the jurisdiction of the Department of the Army, and graves used by the Army in commercial cemeteries; \$6,915,000: *Provided*, That this appropriation shall not be used to repair more than a single approach road to any national cemetery: *Provided further*, That this appropriation shall not be obligated for construction of a superintendent's lodge or family quarters at a cost per unit in excess of \$17,000, but such limitation may be increased by such additional amounts as may be required to provide office space, public comfort rooms, or space for the storage of Government property within the same structure: *Provided further*, That reimbursement shall be made to the applicable military appropriation for the pay and allowances of any military personnel performing services exclusively for the purposes of this appropriation.

RIVERS AND HARBORS AND FLOOD CONTROL

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to rivers and harbors, flood control, beach erosion, and related purposes:

GENERAL INVESTIGATIONS

For expenses necessary for the collection and study of basic information pertaining to river and harbor, flood control, shore protection, and related projects, and when authorized by law, preliminary examinations, surveys and studies (including cooperative beach erosion studies as authorized in Public Law Numbered 520, Seventy-first Congress, approved July 3, 1930, as amended and supplemented), of projects prior to authorization for construction, to remain available until expended, \$10,188,500: *Provided*, That, no part of the funds herein appropriated shall be used for the survey of Carter Lake, Iowa, until it is authorized.

CONSTRUCTION, GENERAL

For the prosecution of river and harbor, flood control, shore protection, and related projects authorized by law; detailed studies, and plans and specifications, of projects (including those for development with participation or under consideration for participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such studies shall not constitute a commitment of the Government to construction); and not to exceed \$1,600,000 for transfer to the Secretary of the Interior for conservation of fish and wildlife as authorized by law; to remain available until expended, \$603,246,500, of which \$273,000 shall be available for the acquisition of telephone facilities, and for the readjustment of service in the vicinity of Tuttle Creek Reservoir in Kansas: *Provided*, That funds appropriated herein may at the discretion and under the direction of the Chief of Engineers be used in payment to the accounts of the Confederated Tribes of the Yakima Reservation, the Confederated Tribes of the Warm Springs Reservation, the Confederated Tribes of the Umatilla Reservation, or other recognized Indian tribes, and those individual Indians not enrolled in any recognized tribe, but who through domicile at or in the immediate vicinity of the reservoir and through custom and usage are found to have an equitable interest in the fishery, all of whose fishing rights and interests will be im-

paired by the Government incident to the construction, operation, or maintenance of the Dalles Dam, Columbia River, Washington and Oregon, and must be subordinated thereto by agreement or litigation: *Provided further*, That no part of this appropriation shall be used for projects not authorized by law or which are authorized by a law limiting the amount to be appropriated therefor, except as may be within the limits of the amount now or hereafter authorized to be appropriated: *Provided further*, That there shall be credited against the local contribution requirement on the Canton, Missouri, project a sum equal to the total cost of the improvements contributing to the project which have already been constructed by the city of Canton: *Provided further*, That none of the funds appropriated for "Construction, General", in this Act shall be used on the project "Missouri River, Kansas City to mouth", for any purpose other than bank stabilization work.

OPERATION AND MAINTENANCE, GENERAL

For expenses necessary for the preservation, operation, maintenance, and care of existing river and harbor, flood control, and related works, including such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality, or other public agency, outside of harbor lines, and serving essential needs of general commerce and navigation; financing the United States share of the cost of operation and maintenance of remedial works in the Niagara River; surveys and charting of northern and northwestern lakes and connecting waters; clearing and straightening channels; removal of obstructions to navigation; rescue work, and repair, restoration, or maintenance of flood control projects threatened or destroyed by flood; and not to exceed \$1,415,000 for transfer to the Secretary of the Interior for conservation of fish and wildlife as authorized by law; to remain available until expended, \$113,370,000.

GENERAL EXPENSES

For expenses necessary for general administration and related functions in the Office of the Chief of Engineers and offices of the Division Engineers; activities of the Board of Engineers for Rivers and Harbors, the Beach Erosion Board, and the California Debris Commission; administration of laws pertaining to preservation of navigable waters; commercial statistics; and miscellaneous investigations; \$11,720,000.

FLOOD CONTROL, MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for prosecuting work of flood control, and rescue work, repair, restoration, or maintenance of flood control projects threatened or destroyed by flood, as authorized by law (33 U.S.C. 702a, 702g-1), to remain available until expended, \$68,347,500.

UNITED STATES SECTION, SAINT LAWRENCE RIVER JOINT BOARD OF ENGINEERS

For necessary expenses of the United States section of the Saint Lawrence River Joint Board of Engineers, established by Executive Order 10500, dated November 4, 1953, including services as authorized by section 15 of the Act of August 2, 1946 (5 U.S.C. 55a), at rates not to exceed \$100 per day for individuals; \$100,000: *Provided*, That no part of these funds shall be obligated until agreement has been entered into, by the United States Government and the United States entity authorized to construct the power works in the International Rapids section of the Saint Lawrence River, providing for the reimbursement of the expenditures of the United States section of this Board by the construction entity.

ADMINISTRATIVE PROVISIONS

Appropriations in this title shall be available for expenses of attendance at meetings of organizations concerned with the work for which the appropriation is made, for uniforms, or allowances therefor, as authorized by the Act of September 1, 1954, as amended (5 U.S.C. 2131), and for printing, either during a recess or session of Congress, of survey reports authorized by law,

and such survey reports as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress; and during the current fiscal year the revolving fund, Corps of Engineers, shall be available for purchase (not to exceed two hundred and thirty-six for replacement only) and hire of passenger motor vehicles.

TITLE II—DEPARTMENT OF THE INTERIOR

BUREAU OF RECLAMATION

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:

GENERAL INVESTIGATIONS

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans; formulating plans and preparing designs and specifications for authorized Federal reclamation projects or parts thereof prior to initial allocation of appropriations for construction of such projects or parts; and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects; to remain available until expended, \$4,556,000, of which \$3,831,000 shall be derived from the reclamation fund and \$500,000 shall be derived from the Colorado River development fund: *Provided*, That none of this appropriation shall be used for more than one-half of the cost of an investigation requested by a State, municipality, or other interest.

CONSTRUCTION AND REHABILITATION

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities) and for other related activities, as authorized by law, to remain available until expended, \$146,015,000, of which \$85,000,000 shall be derived from the reclamation fund: *Provided*, That no part of this appropriation shall be available for other than the completion of field engineering, survey work, and preliminary designs of the Southwest Contra Costa County Water District System and no repayment contract shall be executed or construction begun until plans have been submitted to and approved by the Congress through its legislative and appropriation procedures, after submission of a report to the Congress by the Secretary of the Interior (1) on the cost and feasibility of said project, including the necessary distribution system and (2) on the rates required to be charged to the ultimate consumers: *Provided further*, That any portion of this or prior appropriations available for the construction of extensions to the distribution system of the Southern San Joaquin Municipal Utility District may be expended without regard to the land certification requirement under this heading in the Interior Department Appropriation Act, 1953 (60 Stat. 445), after the execution and approval of a contract which obligates the entire district to repay the cost of such facilities: *Provided further*, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer: *Provided further*, That no part of the funds herein appropriated shall be used for the Palisades Reregulating Dam and Powerplant (Burns Creek, Idaho) project until it is authorized: *Provided further*, That no part of the funds herein appropriated shall be used for the construction of the Prosser Creek Dam and Reservoir (Washoe project, California-Nevada) until the enactment into law of S. 4009, or similar legislation: *Provided further*, That no part of the funds herein appropriated shall be

used for the construction of the Gray Reef Dam and Reservoir (Glendo unit, Missouri River Basin project) until said dam and reservoir are specifically authorized.

OPERATION AND MAINTENANCE

For operation and maintenance of reclamation projects or parts thereof and of other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, \$27,500,000, of which \$22,365,100 shall be derived from the reclamation fund and \$2,015,000 shall be derived from the Colorado River dam fund: *Provided*, That funds advanced for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and the unexpended balances of such advances shall be credited to the appropriation for the next succeeding fiscal year.

LOAN PROGRAM

For loans to irrigation districts and other public agencies for construction of distribution systems on authorized Federal reclamation projects, and for loans and grants to non-Federal agencies for construction of projects, as authorized by the Acts of July 4, 1955, as amended (43 U.S.C. 421a-421d), and August 6, 1956 (43 U.S.C. 422a-422k), as amended (71 Stat. 48), including expenses necessary for carrying out the program, \$5,434,000, to remain available until expended: *Provided*, That the unexpended balance on June 30, 1958, of sums heretofore appropriated for the foregoing purposes under the head "Construction and rehabilitation" shall be merged with this appropriation.

GENERAL ADMINISTRATIVE EXPENSES

For necessary expenses of general administration and related functions in the offices of the Commissioner of Reclamation and in the regional offices of the Bureau of Reclamation, \$4,039,000, to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U.S.C. 377): *Provided*, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses.

UPPER COLORADO RIVER BASIN FUND

For payment to the "Upper Colorado River Basin fund", authorized by section 5 of the Act of April 11, 1956 (Public Law 485), \$68,033,335; to remain available until expended.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation fund, the Colorado River dam fund, or the Colorado River development fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U.S.C. 391), the Act of December 21, 1928 (43 U.S.C. 617a), and the Act of July 19, 1940 (43 U.S.C. 618a), respectively. Such sums shall be transferred, upon request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the heads "Operation and Maintenance" and "General Administrative Expenses" shall revert and be credited to the special fund from which derived.

ADMINISTRATIVE PROVISIONS

Appropriations to the Bureau of Reclamation shall be available for purchase of not to exceed one hundred and ten passenger motor vehicles, of which one hundred and nine are for replacement only; payment of claims for damage to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expense of persons on the rolls of the Bureau of Reclamation.

tion appointed as authorized by law to represent the United States in the negotiation and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head "Operation and Maintenance Administration", Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U.S.C. 461-467): *Provided*, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U.S.C. 377), for expenses other than those incurred on behalf of specific reclamation projects except "General Administrative Expenses" and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head "General Investigations".

Allotments to the Missouri River Basin project from the appropriation under the head "Construction and Rehabilitation" shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head "General Investigations" (but this authorization shall not preclude use of the appropriation under said head within that area), and for the continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: *Provided*, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 3679 of the Revised Statutes, as amended (31 U.S.C. 665).

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefit of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users' organization, or (c) of any individual, when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Not to exceed \$225,000 may be expended from the appropriation "Construction and Rehabilitation" for work by force account on any one project or Missouri Basin unit and then only when such work is unsuitable for contract or no acceptable bid has been received and, other than otherwise provided in this paragraph or as may be necessary to meet local emergencies, not to exceed 12 per centum of the construction allotment for any project from the appropriation "Construction and Rehabilitation" contained in this Act shall be available for construction work by force account.

Not to exceed \$125,000 of the funds made available for the Solano project, California, shall be available for the construction of safety and public-use facilities which shall be nonreimbursable and nonreturnable.

Not to exceed \$600,000 of the amount appropriated herein for the Washita Basin project, Oklahoma, shall be nonreimbursable, representing that portion of the cost of the Foss Dam and Reservoir allocated to furnish a water supply for the Clinton-Sherman Air Force Base.
