PETITION REQUESTING CHANGE IN THE PLACE OF USE FOR CERTAIN WATER RIGHTS OF THE DEPARTMENT OF WATER RESOURCES AND UNITED STATES BUREAU OF RECLAMATION

Pursuant to the hearing officers' request, on April 28, 2009, the Department of Water Resources (DWR) submitted to the State Water Resources Control Board (State Water Board) and provided to the other hearing participants certain California Environmental Quality Act (CEQA) documents related to the petition referenced above. Specifically, DWR submitted the Notice of Exemption that DWR filed with the Office of Planning and Research on April 27, 2009; DWR's Application for Secretarial Determination Regarding Drought Emergency Project, which was signed by the Secretary for the Environmental Protection Agency and the Secretary for Natural Resources on April 28, 2009; and various documents cited in the application. Two of the documents cited in the application, DWR-8 and C-WIN Exhibit No. 1-R, have already been offered and accepted into evidence.

Unless there are any objections, the hearing officers intend to accept into evidence the CEQA documents described above (except for DWR-8 and C-WIN Exhibit No. 1-R, which have already been accepted). Any objections to accepting the CEQA documents into evidence must be received by the State Water Board by Noon on May 5, 2009, and served on the other hearing participants by that date. The State Water Board will also consider any comments on the CEQA documents (except for DWR-8 and C-WIN Exhibit No. 1-R) if the comments are also submitted to the State Water Board by Noon on May 5, 2009, and served on the other hearing participants by that date.

Questions regarding this letter should be directed to Dana Heinrich, Senior Staff Counsel, at (916) 341-5188 or dheinrich@waterboards.ca.gov or Jane Farwell at (916) 341-5349 or jfarwell@waterboards.ca.gov.

Sincerely,

Charles L. Lindsay
