Subject: Comment Letter: Salton Sea

Dear Ms. Townsend,

As a longtime resident of the Imperial County, I wish to express my support towards the Imperial Irrigation District's petition to the State Water Resources Control Board regarding the Salton Sea.

The rapidly receding sea negatively impacting our environment and health are critical issues at stake that demand immediate action. I urge the Board continue to work with IID and all stakeholders to reach a feasible and fully funded plan for the restoration of the Sea. I am confident that the Board's involvement will promote continued participation and commitment from all stakeholders.

Thank you for your time and consideration.

Sincerely,
